THE BATTLEFACE DOMESTIC TRAVEL INSURANCE POLICY

'I haven't been everywhere. But it's on my list' – Susan Sontag

Travel is one of the greatest gifts you can give yourself. And like all amazing gifts, you want to be sure it's a great fit. That it suits you and your needs.

Because you've got more interesting things to think about while you're off exploring, you want the peace of mind knowing your insurance will be there if you need it.

This document contains important information to help you decide if the cover we offer is right for you. It's divided into two parts:

- Product Disclosure Statement (PDS); and
- Financial Services Guide (FSG).

Product Disclosure Statement (PDS)

The PDS contains everything you need to know about this policy. This includes contact details and comprehensive information about policy benefits, conditions, and exclusions.

This policy is a consumer insurance contract under the [Insurance Contracts Act 1984](#).

The PDS will help you understand:

- what's covered;
- what's not covered;
- policy benefits;
- how we protect your privacy; and
- what happens if you need to make a claim.

Financial Services Guide (FSG)

The FSG contains information about:

- us (battleface);
- who we partner with to provide you this insurance cover;
- how we and any partners are paid;
- how you can make a complaint; and
- other details to help you decide if this policy is right for you.

battleface Insurance Services Pty Limited, ABN 28 650 606 045, AFSL 536280 act under a binder authority as the underwriting agent of the insurer and is responsible for the FSG section in this document.

Any advice given in this document is general in nature and hasn't taken into account your personal

circumstances. As we don't know your objectives, financial situation or needs, it's important you carefully consider whether the information given is right for you.

Product Disclosure Statement (PDS)

If you buy this insurance, your policy is made up of the PDS, the FSG and your Certificate of Insurance. Your Certificate of Insurance contains your personal insurance details, so check to make sure everything is correct.

The information in this PDS is current as of 15 September 2023. If we make any changes, we'll let you know.

You can find the latest info [here](#). Or contact us and we'll send it to you.

We may update the information in this PDS from time to time. If the updated information is not materially adverse, we may publish the updated information on our website at battleface.com.au. You can also ask us for a copy of any updated information to be provided to you at no cost.

Our agreement with you

Your policy is a contract between you and us, and your agreement with us is set out in:

- this document;
- your application for insurance;
- your Certificate of Insurance; and
- any other documents we issue outlining terms and conditions of your cover.

Together, these documents make up your policy and should be read carefully.

The insurer

This insurance is underwritten by Pacific International Insurance Pty Ltd ABN 83 169 311 193 (the insurer).

For information on how we work together and the services we provide, please refer to the Financial Services Guide.

Who are we?

battleface Insurance Services Pty Ltd, ABN 28 650 606 045, AFSL 536280 (battleface) acts as the underwriting agent of the insurer under a binding authority from them, which means we can issue, vary, or cancel insurance on their behalf and handle and settle any claims you make. battleface is authorised to provide these services under our AFSL.

Your obligation when answering our questions

When you buy a battleface travel insurance policy, you're entering into an insurance contract with us. There are things you need to tell us and they must be true and correct to the best of your knowledge.

You should know that under the [Insurance Contracts Act 1984 \(Cth\)](#), it's your duty to take reasonable care not

to make a misrepresentation. This applies when answering questions and giving us information.

We'll only ask questions relevant to our decision to insure you and on what terms.

If you tell us something which isn't true

If you don't take reasonable care when answering our questions or giving us information, we can cancel your policy or reduce the amount we pay if you make a claim.

Or both.

If you deliberately mislead us (act fraudulently), we can refuse to pay a claim and will treat the policy as if it never existed.

Cooling off period

Cancelling within the cooling off period

You've got 21 days (known as the 'cooling off period') from the day you buy your policy to cancel and get a full refund. This gives you time to read the PDS and check the policy is right for you.

Cancelling outside the cooling off period

If you request to cancel your policy outside the cooling-off period, we'll refund that part of your premium paid for the unused period of insurance based on a pro-rata calculation.

In all cases, whether or not you cancel within the cooling off period, we will only consider a refund if:

- you haven't started your trip; and
- you haven't made a claim; and
- you don't intend to make a claim or exercise any other right under your policy.

When a policy cancellation has been accepted, we will process your refund within 15 Business Days.

Other important info about this policy

- You must be 18 years of age or older to buy the policy.
- There's an upper age limit of 99 years.
- You can buy this policy up to 12 months before your date of departure.

The premium payable for this policy

The amount we charge is the total amount of the premium and any relevant government charges (such as Goods and Services Tax (GST) and Stamp Duty). Several factors are considered in determining the amount payable. These include:

- Duration – the longer you travel, the higher the premium is likely to be.

Significant risks

This policy may not be right for you

This policy may not be right for you, for example, if an exclusion applies, so it's important you read and understand this document. If you're unsure about anything, please contact us.

Do you have the right level of cover?
